To Whom It May Concern:

My name is Rick Schmitz and I am the General Manager of SPG Green Garden Country Club in Frankfort, IL. We are a 45 hole golf facility with a driving range, indoor dome, golf academy and club house with restaurant, bar, and banquet rooms.

The Golf Firm approached me about a year ago and presented their idea of putting advertisements signs on our course at each hole. I immediately was receptive to their proposal, but wanted to see their contract. After reading it thoroughly, it was clear that this would be a win-win for both of us, and there were NO hidden strings attached to their proposal. We have had a number of signs put on our course of which they all are done very professionally and in no way take away from the esthetics of our course.

I love seeing them as every time they walk in they have that \$400.00 check! What a great way to bring additional revenue to our course with absolutely no work on our part other than signing the contract. They are professional in every sense of the word, and are always available if you have any questions or concerns.

Please feel free to contact me if you want any other additional information. I can be reached at 815-469-3350.

Respectfully,
